At the Clubhouse, they all enjoyed the food and cool refreshments, and lied like hell about their individual and collective prowess. All "prize" monies that were collective and awarded,

OPEN FORUM:

FARIAS suggested that the Golfing Event for December, might be too close to Christmas and that we would be having our Christmas Party on the 12th. Golfers may get tied up with family things during the Christmas season. He further suggested that perhaps for the December Golfing Event, that it should be an "invitational"; where there would be no set participants except if they would respond to an "invitation to golf". There was some discussion on the floor, but nothing solid evolved. FARIAS said "I'll work on it".

STENDER related his "inner feelings" and told stories about himself and his mother and how he felt about "going to SLC" when he really wanted to go to Kamehameha". He told about his career and his rise from the bottom "all the way to the top". Many of his life happenings were of his nature and his Hawaiian (half) heritage. He now has some Classmates that are "just like him" and that hope he continues to be "one of us"!

ADJOURNMENT: FARIAS

meeting was adjourned @ 7:27 P.M.

NOTE: The next regularly scheduled Classmate Meeting, will be held on Thursday, November 21st, at the SLAA Clubhouse, starting at 6:30 P.M.
